Residences Across The U.S. Offering Stunning Views From The Shower Or Bathtub

by Haven Team

Let's explore some residences across the U.S. that allow you to unwind in a shower or bath while immersing yourself in the captivating surrounding scenery.

Olara Residences, West Palm Beach

[Olara](#) is a luxury residence in West Palm Beach along the Intracoastal Waterway and the Atlantic Ocean. Slated for completion by 2026, this building will offer premium amenities, thoughtful design features, and immaculate vistas of the surrounding water from every window. The primary bathrooms showcase a design reminiscent of a spa retreat, featuring a bathtub nestled by a floor-to-ceiling window that offers captivating views of the city's world-famous shoreline.
